Stacie Thompson

Between You and Elizabeth [redacted]

Elizabeth [redacted] November 21, 2009 at 5:42am Report

Hi Kyle,
I just wanted to be sure you knew that Stacie did an amazing job, more than I can express. From the very start of this process she was abundantly communicative and helpful. She has listened thoroughly and worked tirelessly with us for the last two months. I am very aware that without her consistent efforts my husband Drew and I would not have been able to even consider home-buying, nor would we have secured this house of our dreams. Despite frustrations and hangups with loan officers and the like, Stacie coordinated efforts and solved problems. No matter what, Stacie was easy to get in touch with and ready to help. We truly knew that she was our advocate. I seriously could go on and on. And I do go on and on to friends and family and customers alike. Thanks for contacting me through facebook.

Sincerely,
Beth [redacted]
